Note: The monthly Index of Eight Core Industries is released by OEA, DPIIT on the last working day of every month at 5.00 P.M. If last day happens to be a holiday then it is released on the last working day of the month. The index is released through Press Information Bureau (PIB) as well as on website of the Office of the Economic Adviser (www.eaindustry.nic.in). The ICI for reference month is released with a time lag of one month on last day of the next month, which is about twelve days prior to the release of IIP for the reference month.
